Substance abuse has many physical, psychological, and behavioral symptoms and side effects. Drug and alcohol addiction affects not only the user but also the user's family and friends. The Elizabeth Grady School is supportive of students who pursue professional support and treatment for drug and/or alcohol abuse and addiction. Professional resources can be found in the Elizabeth Grady School Campus Safety Handbook.

The Elizabeth Grady School prohibits the unlawful possession, use, or distribution of drugs and alcohol by students and employees on the school's property, or a part of the school's activities. The school will not verify to any outside party a student's status or verify whether or not they are in attendance without written permission by the student unless a student's health and safety are in question. ATTENDANCE/HOURS

Punctuality and attending classes during scheduled class times is required for making and maintaining Satisfactory Academic Progress (see EGSEM Policies and Procedures for complete Satisfactory Academic Progress Policy, pp. 7-11). Satisfactory Academic Progress in turn is a prerequisite for receiving any financial aid (loans/grants/interest free payment plan privileges) and for successful completion of the program.

It is our objective as an institution of higher learning and as your teachers to provide quality education in your newly chosen profession. We remind you of your commitment to your educational process in the area of attendance. The following attendance policies have been enacted to ensure the best learning experience for **all** students.

1. Students must be present in class, be in full uniform, and have all necessary classroom tools by the designated class start time. Instructors reserve the right to dismiss students who fail to appear for class in full uniform and/or who are unprepared for class, lacking necessary books, tools, assigned work, etc.... If a student is dismissed for any of the aforementioned reasons, he/she will be given further direction for that class period per the instructor. Time missed will be considered time absent and will be required to be made up.
2. Attendance will be taken for every class. Students will be dismissed after all sanitation duties have been completed. With everyone's full participation, dismissals will be on time.
3. Clocking in for another student is prohibited in any circumstance. Students involved in clocking or being clocked in for/by another may be dismissed from the program.

4. Students are required to complete all contracted hours. At course completion, all hours are reported to the State Board of Cosmetology. This information is also kept on file at the school.
5. To become licensed in another state, it is the student's responsibility to contact the State Board of Cosmetology or Division of Professional Licensure in that state for licensing requirements. A detailed review for the Massachusetts state board examination is conducted for the students during the last two weeks of esthetic programs. Additional fees are required for testing and licensing and are separate from any monies paid to the Elizabeth Grady School.
6. **TARDINESS:**
 - A. Any time a student will be tardy, the student must inform their teacher by telephone or email prior to the start time of class. Any tardiness calls should be left on your respective instructor's voice mail extension or email.
 - B. Three grace tardies are allowed per course module. After being tardy three times, the instructor reserves the right to not allow a student to enter class until a designated time to avoid interrupting and compromising the education of other students. Students must remain on school premises as directed by the course instructor and will be allowed to enter during a break in instruction. The student will be responsible for making up any class time missed.
7. **ABSENCES:**
 - A. If a student *must* be absent, the student should inform school faculty by telephone or email prior to the beginning of class that day. Any notification of absence can be recorded on your instructors' voicemail and/or email.
 - B. If a student is absent fourteen (14) consecutive calendar days without notification and/or documentation, the student will be dismissed from the program.

3. Course examinations, written, oral, and practical, will be given frequently. A final exam will also be given at the end of each module. A \$25.00 fee will be attached if the student is absent on the day of an exam due to additional expense for a teacher having to make up the exam with the student outside of regularly scheduled class time. Any **missed exams must be made up and paid for within 7 days or the student will forfeit the opportunity.**

4. **600 and 300 hour graduates will receive a diploma upon successful course completion** for Esthetics. 600 Hour Students will also receive a certificate in Make-up Artistry.

6. **A minimum of two Satisfactory Academic Progress reports and student evaluations will be given to each class during the course.** These include a rating of regular class attendance, academics, and completion of course requirements.

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress measures a student's progress in academics and attendance. The Elizabeth Grady School of Esthetics and Massage Therapy's Satisfactory Academic Progress (SAP) Policy is consistently applied to all students enrolled in a specific NACCAS (National Commission of Career Arts and Sciences) approved program and scheduled for a particular category of attendance (part-time, three-quarter time, and full-time). The SAP policy is printed in the school catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the U.S. Department of Education.

Satisfactory Academic Progress in Regards to Academic Performance

Qualitative factors determine academic performance using grades, and/or work projects completed, and/or comparable factors measured against the norm. The following factors will be measured to determine academic progress in all Elizabeth Grady School NACCAS approved programs:

- Written Test Grades
- Assigned Project Grades
- Assigned Homework
- Hands-on Skills Assessment
- Professionalism

Students must maintain a cumulative grade average at a minimum of 70% (C grade average) in order to be considered making Satisfactory Academic Progress.

Measurement of Satisfactory Academic Progress- Grading

Assigned work will be evaluated and graded according to the following scale:

90-100	A	Excellent
80-89	B	Good/Above Average
70-79	C	Satisfactory/Average
69 and Below	D, F	Unsatisfactory

Satisfactory Academic Progress in Regard to Attendance

Quantitatively, students will also be evaluated on attendance. A student must maintain an attendance rate no lower than 90% to be considered making SAP. In the case of absence due to mitigating circumstances such as death of a family member, illness, or injury, a student may appeal the school's decision. (**See Appeals Process Below**)

Evaluation and Determination of Satisfactory Academic Progress

Two Satisfactory Academic Progress Reports will be given during a student's respective program. Satisfactory Academic Progress Reports include a student's cumulative grade average and rate of attendance. The first evaluation will occur at the midpoint of the respective program's scheduled hours while the second will occur at the completion of scheduled hours. Students who meet minimum requirements are considered to be making Satisfactory Academic Progress until the next scheduled evaluation. Copies of evaluations will be provided to the student and will also remain on file.

Program	First SAP Report	Second SAP Report
Esthetics- 300 Hours	150	300
Esthetics- 600 Hours	300	600

Appeal

If a student is determined not to be making satisfactory academic progress, the student may appeal the determination within ten (10) calendar days. Reasons for which a student may appeal a failed SAP determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form with supporting documentation (i.e. medical documentation or obituary) of the reasons why the determination should be reversed. This information should include why the student failed to make Satisfactory Academic Progress and what has changed in the student's situation that will allow the achievement of SAP by the next evaluation point. Appeal documents will be reviewed by the school director and members of the faculty and administration and a decision will be made and reported to the student within fourteen (14) calendar days. The appeal and decision documents will be retained in the student's file. During this time, the student should continue to attend all scheduled classes. If the student prevails upon appeal and meets all other criteria (**see next section on Probation**) the Satisfactory Academic Progress determination will place the student on probation and Federal Financial Aid will be reinstated, if applicable.

Probation

Students who fail to meet minimum SAP requirements will have the option to appeal the decision. **(See Appeal Process above)** Additionally, only students who have the ability to meet SAP standards by the end of the evaluation period may be placed on probation. If the student will not be able to make SAP by the end of the evaluation period they may have an academic plan set up for them to ensure the student is able to reach SAP by a specific point within the maximum time frame. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress.

Reestablishing Satisfactory Academic Progress

Students may reestablish Satisfactory Academic Progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the evaluation period.

Satisfactory Academic Progress and Title IV Funding

Students who do not achieve the minimum Satisfactory Academic Progress requirements will no longer be eligible to receive Title IV funding or may have their funding interrupted until becoming compliant with Satisfactory Academic Progress requirements, unless the student is placed on probation. The Elizabeth Grady School will notify students of any evaluation that impacts the student's eligibility for financial aid, if applicable.

Withdrawal, Re-entry, and Repetition

Any student who withdraws from the program may be given the opportunity to re-apply, re-enroll, and re-enter on a date provided by the Admissions Department. A student making Satisfactory Academic Progress at the point of withdrawal may apply for re-enrollment in the school and will be considered to be making Satisfactory Academic Progress at the point of re-entry. Students not making Satisfactory Academic Progress at the point of withdrawal may apply for re-enrollment in the school and if accepted will re-enter with the same Satisfactory Academic Progress in which they left. All incomplete requirements must be completed upon re-entry. Students deemed unable to come into Satisfactory Academic Progress will be required to repeat all or part of the program.

Transfer

Elizabeth Grady students may transfer from one program into another upon request. Consideration will be made on attempted and completed hours for transferring into a new program. Upon receipt of request, each student will be required to contact Admissions and will be required to amend their enrollment agreement contract and application to reflect transfer of programs. Transfer students must begin new program within 180 days of last date of attendance of initial enrollment.

The Elizabeth Grady School does not accept transfer hours from other institutions.
