

COMMONLY ASKED QUESTIONS ABOUT ESTHETICIANS AND ESTHETICIAN TRAINING

What is an esthetician and what do they do?

An esthetician is a skin care specialist who is licensed to perform facials, waxing, and makeup artistry services. Estheticians can be found working in various environments including salons; day and destination spas; dermatology and plastic surgery practices; and retail or educational environments.

How long does it take?

The Elizabeth Grady School offers esthetics programs that are 300 and 600 hours in a variety of flexible schedules. A 300 hour full-time day program can take as little as ten weeks to complete whereas a 600 hour part-time evening program requires thirteen months. Students attend classes 12, 20, or 30 hours per week.

What is the difference between the 300 hour and 600 hour programs?

The state of Massachusetts requires a minimum of 300 hours to become licensed therefore the school is required to allow students to complete at 300 hours if they choose. However, currently 90% of the United States requires 600 or more hours to become licensed. Additionally, today's marketplace requires estheticians entering the profession have knowledge in the most up-to-date techniques and products such as light chemical peeling and microdermabrasion which require additional training well above 300 hours. Therefore, we recommend that students carefully weigh their options during the enrollment process. Career advisement is available during the admissions process to help determine which program is most appropriate for you and your professional goals.

How much does it cost?

The 300 Hour Esthetician program cost is \$6,800.00 and includes textbooks, uniforms, and all products and supplies. The 600 Hour Esthetician program cost is \$9,500.00 and includes textbooks, uniforms, and all products and supplies. Students can take advantage of saving money by enrolling early. We also offer discounts to certified professionals in complimentary fields of study such as beauty and healthcare. Please inquire during your admissions interview.

What's available for financial aid?

300 HOURS: No financial aid is available for 300 hours.

600 HOURS: Independent students could qualify for up to \$6333.00 in federal loans and up to \$3876.00 in federal Pell grants. Dependent students can qualify for up to \$3666.00 in federal loans, up to \$3876.00 in federal Pell grants, and parent PLUS loans are also available and are credit based loans available to parents of dependent students.

You can find detailed information about Financial Aid online at www.elizabethgrady.edu. Click on **Prospective Students** on the task bar, and scroll down to **Financial Planning**. Additionally, Melissa Sandberg, Financial Aid Representative, can be reached at 781-960-0114 and will be happy to assist you with any questions.

Is more education is available?

Advanced and continuing education is available to licensed estheticians and students enrolled in the programs at the Elizabeth Grady School. Numerous programs are available throughout the year including, but not limited to: Aromatherapy, Advanced treatment of Acne, Advanced Facial Massage, Exfoliation and Chemical Peeling, Eyelash Extensions, Microdermabrasion, Reiki, and more.

Please have your physician complete the documentation below or have them supply their own documentation of your test results. Submit results to the admissions department before beginning the program. This is a requirement for admission to our program.
